**Subject:** Salkie, Diane sent you a message in Skype for Business while you were offline

Salkie, Diane 10:12 AM:

Jen I am on the progress call. There was something taht you were going to ask the team to work on for CSTAG but not sure what it was.

LaPoma, Jennifer 12:33 PM:

Hey Diane, just saw your missed message

LaPoma, Jennifer 12:33 PM:

I am still waiting on the Overview memo from CDM. Any idea when they are giving it to us? I think they said today

LaPoma, Jennifer 12:34 PM:

I also want mentioned to them yesterday that I would like them to prepare a presentation that Kern would support and/or give that covers the interpolation methods and how we got to CS 37 map

Salkie, Diane 12:57 PM:

yes, overview memo by end of today

Salkie, Diane 12:58 PM:

ok so you want interpolation methods presenation as part of CSTAG presentation?

LaPoma, Jennifer 1:12 PM:

yes

Salkie, Diane 1:13 PM:

ok I will email it as a follow up to our call. We also set up a call for next Thurs (2/15) to start going over their power point for CSTAG

LaPoma, Jennifer 1:40 PM:

good

LaPoma, Jennifer 2:22 PM:

out of my training! anything we need to touch base on?

Salkie, Diane 2:24 PM:

I don't think so. John P took one last look at reporter brief and I think it's on its way out. I wanted to start the convo about the additional slides. Ed and James are putting together agenda for Fri (so don't have to wait for CPG) then you or I will send to CPG to see if have anything to add.

LaPoma, Jennifer 2:25 PM:

Ok, yeah. Can I call real quick? I want to get a rundown of where CDM is with the CSTAG presentation slides

Salkie, Diane 2:26 PM:

yes 4370 I couldn't remember my phone number aaaa

LaPoma, Jennifer 2:26 PM:

hahaa
